

Actions arising from the Airport Consultative Committee Meeting held on 14 October 2021

Minute No	Agenda Item	Action / Issue	Officer(s)	Status/Update
4.	Matters Arising – ACC Newsletter	The Noise Monitoring and Environmental Sub-Committee had suggested that the ACC newsletter should also be published in the local editions of the Arrow magazine, Doncaster Gazette and Thorne Times. It was agreed that K Stow and A Tolhurst would discuss wider circulation of the newsletter after today's meeting.	K Stow & A Tolhurst	
4.	Matters Arising - Defibrillators in the Community	It was agreed that the Committee Secretary would email those Members absent at today's meeting to obtain suggestions for possible locations where defibrillators could be installed in the community.	A Shirt	Update 19/10/21 - Email sent to Members absent at the meeting held on 14/10/21. Parish Cllr McCarron's suggestions sent to A Tolhurst & K Stow 20/10/21.
5.	Airport Business Update – ACC Newsletter	Town Councillor Cropley suggested that it would be very beneficial to include a reminder in the next newsletter setting out details of destinations where people can fly to from DSA. K Stow acknowledged Town Councillor Cropley's suggestion and agreed to discuss further with colleagues after today's meeting.	K Stow	
6.	Airport Business Update – GatewayEast Rail Scheme	K Stow agreed to provide the Committee with a document setting out the high level economic outputs of the GatewayEast Rail scheme.	K Stow	

6.	Airport Business Update – GatewayEast Rail Scheme	It was agreed that a presentation be scheduled for the January meeting setting out the proposed rail alignment map and service patterns.	G Finch	
9.	Update on the Solar Scheme for DSA	It was agreed that a further update would be provided at the January ACC meeting to inform the Committee of the nature of the scheme, when the scheme would be installed and information presented on the proportion of the airport’s energy consumption the scheme was likely to deliver.	K Stow	
12.	Any other Business – Potential training flights at night	K Stow agreed to discuss the potential of training flights at night further with K Moran.	K Stow
