Appendix C

Collaboration Register

Organisation SYP SYP			
	ID 1	Area of Business	Collaboration
JIF	2		Joint participation on Health and Safety Managing Safely courses SYFR trained SYP staff in LGV driving
SYP	3		SYP trained SYFR staff in Blue Lights Instructor training
SYP SYP	4 5		SYFR training SYP staff in Water Rescue, to create SYP Water Rescue Champions SYFR offering spaces on the IOSH Managing Safety course to SYP.
SYP	6		SYP have provided manual handling training to SYFR new recruits.
CVD.	-		SYP provision of Emergency First Aid at Work (EFA) and First Aid at Work (FAW) courses to SYFR staff. Dates booked for 2022.
SYP SYP	8		Joint participation on First Aid courses. Dates booked for 2022.
SYP	9	Training	Joint participation on driver familiarisation courses
SYP	10		Delivery of Joint Decision Making training by SYP to SYFR middle managers
SYP SYP	11 12		Agreement for SYFR commanders to observe police MTFA exercise to improve understanding of police response Delivery of COMAH course for SYFR staff.
			Conflict Management Training provision to SYFR outward facing personnel planned into SYP training timetable from April 2018
SYP	13		SYFR training SYP staff for minibus driving. Training already undertaken for 2022, with further booked in February 2022.
SYP	14		STER Craiming STE Start for minimus driving. Training already undertaken for 2022, with further booked in February 2022.
Regional FRS	15		NFCC materials group, sharing learning materials on a platform.
YAS SYP	16 17		Deliver immediate emergency care briefings for all 4 FRSs Shared use of SYP and SYFR facilities and equipment at zero cost:
SYP	18		Dearne Technical Training Facility - Taser
SYP	19		TDC – Personal Safety, First Aid, Fitness Testing
SYP SYP	20 21	Facilities/Equipment	 TDC - Police / PCSO Recruit Assessment Rotherham Drill Yard - PCSO Cycling Proficiency
SYP	22		Robert Dyson House (Hydra Suite) for command training
SYP	23		SYFR utilise SYP trailer for driver training
SYP	24		Wellbeing meetings with information and best practice shared between the organisations, including for mental health, traumarisk training/approach and exploration of EAP.
SYP	25		SYP Dress and Appearance Policy shared with SYFR to inform options for uniform review
SYP	26		Occupational Health Opportunities Assessment undertaken
SYP SYP	27 28	HR and wellbeing	Working together to alter policies for overall cross organisational management of staff SYFR staff attendance at wellbeing conference
SYP	29		SYFR have adopted the new SYP approach to conducting personal reviews
CVD			SYP assisting with SYFR promotion assessments. This has been expanded to include Junior Officer assessment processes.
SYP SYP	30 31		Blue Light Time to Change Pledge
SYP	32		SYP provision of delivery services for SYFR
SYP	33	Vehicle Fleet Services	SYFR servicing of SYP CBRN Trailers
SYP SYP	34 35	Corporate	SYFR providing LGV training to some SYP drivers SYFR use of SYP graphic design services as required
SYP	36	Communications	Joint communications plans and awareness campaigns for initiatives – LIFE team, Prince's Trust, JCSD, JVFM
SYP & YAS	37		SYFR gain entry for medical emergencies for YAS to reduce SYP demand
SYP	38		SYFR Safe and Well pilot in Doncaster has included training of all crews in crime prevention by SYP staff SYFR linking completion of Analytical Risk Assessments (ARAs) to police response at incidents – e.g. recording against NDM on
SYP	39		incident
			SYFR included in SYP planning and operational phases of Dark Nights October/November 2017. Combined Silver operation on key
SYP SYP	40	Operational Response	dates Operation Shield, includes:
SYP	42		a) SYFR fitting the signage for this operation.
SYP	43		b) SYP identifying high fire risk properties and allowing SYFR to do HSC checks.
SYP	44		SYP & SYFR MoU in place for sharing of drone SYP (UAV). Local Resilience Forum - working closely with partners for resilience and protection, including Covid-19 response, planning and
Local: SYP, YAS	45		recovery.
Regional FRS	46		Over the border mobilisations and operational support
SYP SYP	47 48		Two data teams have worked together to produce the data and evaluation of the JCSD performance dashboard. SYFR have met SYP to pass on their knowledge of Power BI
