Main Report
Quarterly Report for the period July to September 2022 – Appendix A

3. BACKGROUND

- This is the second quarterly report for the 2022/23 financial year and covers the period July to September 2022. It is the second report for the new Police and Crime Plan 2022-25 – Safer Streets, More Police which the Police and Crime Commissioner has published from April 2022.
- The report is produced from the PCC’s Police and Partner’s performance framework. The performance framework is aimed at monitoring the performance and contributions of South Yorkshire Police (SYP), the OPCC and partners (including commissioned providers) in achieving the outcomes in the PCC’s Police and Crime Plan. The framework has been updated to take account of the new Police and Crime Plan as well as The National Priorities for Policing that are specified by the Government in the National Crime and Policing Measures. The aim of the national measures is to complement existing local priorities set out in the South Yorkshire Police and Crime Plan. The Police and Crime Commissioner has included all national priorities in his current Police and Crime Plan.
- An additional quarterly statement on the contribution of South Yorkshire Police to achieving improvements against these national priorities is also included on the Police and Crime Commissioner’s website.
- The OPCC is keen to have the right framework in place for reporting which will enable discussion about performance and how the PCC can help in influencing and supporting partner and OPCC activity.
