CONTENTS

Main Report

Quarterly Report for the period 1st April 2023 to 30th June 2023 – Appendix A

3. BACKGROUND

- This is the first quarterly report for the 2023/24 financial year and covers the period April to June 2023. It is the first report for the Police and Crime Plan 2023-25 – Working Together for a Safer South Yorkshire - which the Police and Crime Commissioner published from April 2023.
- The report is produced from the PCC’s Police and Partner’s performance framework. The performance framework is aimed at monitoring the performance and contributions of South Yorkshire Police (SYP), the OPCC and partners (including commissioned providers) in achieving the outcomes in the PCC’s Police and Crime Plan. The framework has been updated to take account of the new Police and Crime Plan 2023-25 as well as The National Priorities for Policing that are specified by the Government in the National Crime and Policing Measures. The aim of the national measures is to complement existing local priorities set out in the South Yorkshire Police and Crime Plan. The Police and Crime Commissioner has included all national priorities in his current Police and Crime Plan.
- An additional quarterly statement on the contribution of South Yorkshire Police to achieving improvements against these national priorities is also included on the Police and Crime Commissioner’s website.
- The OPCC is keen to have the right framework in place for reporting which will enable discussion about performance and how the PCC can help in influencing and supporting partner and OPCC activity.
